• **BASIC INFORMATION**

SID - Slovenska izvozna in razvojna banka d.d., Ljubljana (hereinafter: SID Bank) with registered office at Ulica Josipine Turnograjske 6, 1000 Ljubljana, Slovenia.

SID Bank's share capital stood at EUR 140,000 thousand, divided into 1,456,808 ordinary registered no-par value shares issued in several issues. In 2008 the Republic of Slovenia became the sole shareholder of the bank.

Financial services performed by SID Bank for own account pursuant to the acquired authorisation, are mainly:

- granting of loans, financing of business transactions,
- issuing of bonds and other guarantees,
- dealing for its own account or for the account of clients with foreign currencies, including exchange transactions, futures contracts and options, currency and interest financial instruments, transferable securities,
- dealing for its own account with money market instruments,
- credit rating services: collection, analysis and provision of information on credit status of legal entities.

In accordance with Slovene Export and Development Bank Act (ZSIRB) and after its applicability, SID Bank used the above indicated services and financial instruments for the promotion of economic, structural, social and other policies in the areas defined in the 1st item of Article 11 of this act; for example:

- international business transactions and international business cooperation,
- business incentives with a special emphasis on small and medium enterprises, entrepreneurship and risk capital,
- research and development,
- education and employment,
- environmental protection and energy efficiency,
- regional development,
- commercial and public infrastructure.

Pursuant to a statutory authorisation (Slovene Export and Development Bank Act - ZSIRB), SID Bank has a status of authorised institution in accordance with Act Governing Insurance and Financing of International Commercial Transactions (ZZFMGP). For the account of the Republic of Slovenia SID Bank carries out the following activities:

- short-term export credit insurance and reinsurance against non-commercial and other non-marketable risks,
- investment insurance against non-commercial risks,
- medium-term export credit insurance against commercial and/or non-commercial risks,
- Interest Rate Equalization Programme (IREP).

On 2 March 2009, the international credit rating agency Moody's assigned to SID Bank an issuer rating of Aa2 with a positive outlook that was changed to stable in April 2009.
